Venue : The Leela Gandhinagar, Gujarat.

ROBOTIC UROLOGY FORUM

9th Annual Conference of
Robotic Urology Forum (RUF)

Department of Uro-Oncology
HCG Aastha Cancer Centre, Ahmedabad

RUFCON 2027
AHMEDABAD

Invitation from the Organising Committee

It is with great joy and pride that we welcome you to the **9th Annual Conference of the Robotic Urology Forum-RUFCON 2027-to be held from 2nd to 4th April 2027 at The Leela, Gandhinagar.**

Robotic surgery has transformed the practice of urology, and India's surgeons now stand among its most skilled and passionate practitioners. This conference brings that community together to learn, exchange ideas and look ahead.

Our programme features live robotic urological surgeries, performed on a range of robotic platforms and streamed to the venue from leading centers across India and abroad. Alongside these, you will witness tele-surgery in action and explore newer robotic systems on display, offering a first-hand look at where our field is heading.

Whether you are an experienced robotic surgeon, a surgeon beginning your journey, or a trainee eager to learn, you will find something here for you: expert insights, honest discussion of technique and outcomes, and the chance to connect with peers and pioneers from around the world.

On behalf of the Robotic Urology Forum we invite you to join us in Gandhinagar and be part of this landmark gathering.

With warm regards,

Organizing Committee
